MESSAGE FROM CHAIRMAN

Warm wishes and greetings to the future Management and Technology professionals!
Pal College of Technology and Management was founded to provide quality education and the cultural values that have inspired us to work for the common good. The value-based education would help transform the young generation into a skilled and talented workforce that can use their knowledge for the progress and development of society.

Pal College of Technology and Management acknowledges cultural diversity and the significance of updated knowledge in the present business context. Due to this, the college has taken significant measures to familiarise students with trends and events in international business. The new knowledge would enable young professionals to be aware of recent business trends and help them perform well in their professional lives.

I want to congratulate students on their decision to pursue a professional course as it would open up the doors of various opportunities for personal and professional development. Your today's hard work and dedication would determine the extent you would excel as a professional, manager and leader. As the college chairman, I promise you my full support on your journey to success.

Best of luck with your future endeavours
Yours sincerely

Mr. Narayan Pal
Chairman

MESSAGE FROM SECRETARY

The diversified and rich culture at Pal College of Technology and Management provides students with a suitable environment where students develop personal and professional skills to collaborate in a multicultural environment while obtaining basic and advanced knowledge in their chosen field. The academic programs offered by the college follow the approach of internationalising degree-level programs. The internationalisation of educational programs aims to introduce students to the business issues and challenges that the companies expect their managers and technology leaders to solve. It is also essential for students to be aware of emerging business practices and approaches globally. The academic programs have several characteristics to integrate the concepts and topics that have been relevant in the present business context to cater the above-mentioned educational needs.

As the college secretary, I am hopeful that with the support of our learned teachers, staff and management, we will succeed in transforming students' dreams into reality.

With best wishes to the students, teachers and college staff.

Mrs. Kamini Pal
Secretary

MESSAGE FROM C.E.O. & DIRECTOR

In the present era of tough competition, an individual can achieve his goals only if he can make the right decision and determine the opportunities for progress. Education provides an individual with every skill and ability, which makes him capable of delivering what is required to succeed in life. Pal College of Technology and Management offers a challenging environment for the students to acquire professional skills and the subjective knowledge necessary to perform well. The primary policy goal of the teachers and management of the college is to deliver ethics-based quality education.

I extend my heartiest congratulations to all aspiring technology and management professionals who have decided to be a part of our family and explore the learning opportunity the college provides. The staff and teaching faculty will give you the support and assistance required to gain the best knowledge and skills to help you progress in future. With best wishes and regards, I welcome students to explore the new contours of knowledge and excel in their chosen domains.

Yours sincerely

Mr. Nirbhay Pal
C.E.O. & Director

MESSAGE FROM DIRECTOR DEAN OF ACADEMICS

At Pal College of Technology and Management, our belief in a growth model based on high-quality education and ethics has helped us in the development of an ideal educational environment which not only caters the need for subjective knowledge of students but also equips them with the ability to convert opportunities into success, foresight changes and challenges and use their knowledge to perform better. With its high professionals and skilled teaching faculty, Pal College of Technology and Management has established itself as an education pioneer. The college also represents the rich cultural diversity of India, providing education to students from different corners of the country.

Acknowledging the need to internationalise higher education, Pal College of Technology and Management has provided students with highly enriched academic programs with activities and lessons covering existing business concerns. The study curriculum prompts students to acquire advanced knowledge in different subjects and use their creativity and innovativeness to determine better solutions to different problems. I believe that with the support of teaching faculty and college staff, students would be able to equip themselves with all skills required to excel in the professional world.

With best wishes

Prof. J.C. Tewari
Director - Dean

MESSAGE FROM INDEPENDENT DIRECTOR COLLEGE ADVISORY BOARD

Greetings students! I hope you are eager to enroll in this esteemed College.

The Pal College of Technology and Management believes in developing the overall personality of students, who not only perform academically but also emerge into excellent people who understand and respect human values, take pride in their culture and heritage, and have a sense of right and wrong.

At this college, outstanding faculties will be your mentors, advisors, and supporters as you advance in your studies and earn credit in your area of specialization. They are the main assets of the Institute.

The college works to develop students' object-oriented business management abilities so they can comprehend and come up with original solutions for real-world business issues. In addition to traditional classroom lectures, other popular academic activities outside of the classroom include the blending of computer and MIS courses, the use of media, industry orientation and case study, project work, seminars and presentations, guest lecturers, etc. We take pleasure in providing courses that have a special blend of quality and extracurricular activities.

I believe that the Pal College of Technology and Management should continue to be a place where students may complete their potential and live a meaningful life by being encouraged to develop their reading and writing habits.

We are excited to welcome your new ideas and enthusiasm to our campus.

Thank You!

Prof. K.K. Pande
Independent Director, College Advisory Board

MESSAGE FROM INDEPENDENT DIRECTOR COLLEGE ADVISORY BOARD

Dear Parents, Guardians, and Students Welcome to the Pal College of Technology and Management family.

Pal College of Technology and Management was founded with the intention of offering outstanding 360-degree education that focuses on character development, leadership, extracurricular activities, and academics. The mission of this College is to advance professional endeavors in business, industry, public enterprises, and government.

We place great value on the capacity for innovation and creativity. We appreciate the people's potential to accelerate and motivate us. Our goal is to inspire and challenge faculty, staff, and students to use their imagination and creativity in their daily work and study. Pal College of Technology and Management encourages its students to dream big. Our top priority is placement, and we have good long-term relationships with the corporate sector to guarantee our students well-deserved placements.

Our aim is to create torchbearers who go beyond and above conventional management abilities. Students that adhere to the discipline and mentorship routines in their everyday behavior are better able to internalize the principles of integrity, transparency, punctuality, leadership effort, teamwork, and, most importantly, strong work ethics.

At Pal College of Technology and Management, we work to support students' goals and ambitions. Bring your talents to the public, support a cause you care about and make a difference with our institute.

I hope the college is successful in achieving its vision and objective to provide students with a high-quality education.

Prof. Atul Joshi
Thank You! Independent Director, College Advisory Board

MESSAGE FROM ACADEMIC QUALITY CONTROLLER

Dear Students,
Welcoming you to the Pal College of Technology and Management it gives me a great pride as you embark on the most important phase of your education, which will have a lasting impact on the rest of your lives. Our goal has always been to offer not only a top-notch education supported by the best professors but also an environment that encourages holistic growth with a focus on character development.

Our prime responsibility is to control and uphold good standards in the sphere of higher education. It is essential for giving students a high-quality education. Our goal in performing an academic audit is to fulfill the criteria for Quality Assurance and to support ongoing teaching and learning quality improvement.

Our team reviews a program's self-study report conducts a virtual site visit and writes its own report that includes commendations, affirmations, and recommendations for continued improvement. An academic audit is built on structured discussions involving teachers, stakeholders, and auditors who are all working toward the same objective i.e. enhancing student achievement by continuously improving high-quality teaching and learning procedures.

I wish everyone the very best who aspires to join Pal College of Technology and Management in its objective to promote holistic growth.

Thank You!

Dr. O.P. Joshi
Academic Quality Controller

OUR BRIEF HISTORY

Pal College of Technology & Management (PCTM) is situated in the foothills of Kumaun, Haldwani (Nainital), which has already been the attraction of tourist's round the year. Since the carving of the state of Uttarakhand, Haldwani has been the centers of attraction of not only tourists but major corporations are also attracted here due to cultural environment. The campus of Pal College of Technology & Management has been aesthetically designed in a pollution free site to become a self contained Academics township. The academic complex provides for complete requirements of Lecture rooms, Tutorial rooms, Drawing hall, Faculty offices, office of HODs, Laboratories and workshop. Elegantly designed comfortable furniture in the spacious well ventilated and well lit classrooms provide the students comfort for a stimulating learning experience.

All basic amenities like safe drinking water, medical aid, Cafeteria, electricity, power back up and communication facilities, etc have been provided. PCTM is an endeavor being the same

step towards the educational development of the area and its outskirts by the renowned Pal Group which has diversified itself form Mining, Colonizing, and Construction to Health Care and to the Education, since the year 2008. PCTM believes in holistic approach of the education where students learn to respect the education and faculty. Pedagogy comprises of case studies, Live projects, industrial visits, group teaching, and multiple extracurricular activities. It aims a distinct tool that fulfills his academic and professional quest.

At Pal College of Technology & Management we are passionate about grooming leaders who will not only become thorough professional but also good human beings with high values and ethics. We provide our students a solid foundation for Learning, Personal Growth, Opportunity, Knowledge, Exposure, Personal Attention and Career Orientation, so that they not only become academically brilliant but also the true leaders and team players.

For time to time various measures are taken by the college in the direction of motivating and providing exposure to the students so as to bring out their best potential and aptitude thus working toward the all round development of students. Courses like BCA, BBA, B.Com (Hons), BHM, DHA, B.Sc. Biotechnology & B.Ed. Are being offered.

- Industrial visit
- Project Work and Project Exhibitions
- Technical Events

DEPARTMENT OF MANAGEMENT & COMMERCE

Department of Management & Commerce aims at developing a student's intellectual ability, executive personality and managerial skills through an appropriate blending of business and general education. The course assists the students in understanding and developing the unique leadership qualities required for efficient management of business organization & enterprises. After the successful completion of BBA & B.Com (Hons), students will be able to get an understanding of the various areas like Core Accounting Concept, General managerial concepts, process and principles. These qualities are needed for the relevant functioning of diverse types of organizations.

Why Management & Commerce at PCTM?

Teaching facilities and tools

The excellent environment at the campus highly beneficial for training the management students / professionals to handle rigors of the job and society by virtue of their talent, sincerity, commitment, skill-attributes that are meticulously nurtured during their training at the Department of Management & Commerce. Apart from academics, the department organizes various interactive guest lectures, seminars, workshops with eminent corporate and industry leaders to ensure the all round development of the students.

Practical knowledge

Internships, live projects are one of the highlights of management program. An Internship allows students to enter into a corporate world to try out some of the fantastic concepts they've learnt in the class. Internship Duration is typically of 45 day as per curriculum.

Professional Grooming

A course in management is not just all about the concepts of management. It also about decision making abilities and analytical thinking. Various events is activities conducted during the course help you grow into a professional.

Job Opportunities

Management graduates are trained in a variety of skills and hence can take up career opportunities in a number of areas in the private as well as government sector. Some Important areas of employment after professional Degree are Banks, Financial services, insurance (BFSI) sector, Sales & Marketing, HRM, Finance & Account, Supply chain management, FMCG sector, E-commerce etc.

DEPARTMENT OF EDUCATION

As you know that teachers have always played a crucial role in preparing communities and society toward explaining new horizons and achieving higher level of program and development. They are the prime agent of change.

The college provides best faculty recruited from the fraternity of teacher. The College is approved by NCTE New Delhi. It is recognized by Uttarakhand Government & affiliated to Kumaun University Nainital.

Why B.Ed. at PCTM?

The Bachelors of Education professionals are in huge demand throughout India and abroad and can get lucrative opportunities to work.

Wide opportunities

There is a boom of job opportunities in private & public sector of Bachelor of Education professional.

Government Job

B.Ed course increases the chance of getting government job by cracking Teacher's Eligibility Test (TET).

Scope of higher studies

After completion of B.Ed Course one can upgrade their skill by opting Master of Education and Research field like Ph.D.

Job Security

The Teaching profession also delivers on the jobs security front. B.Ed. Courses allow the students with an extra blanket safety in terms of job prospects. This has been seen during the recent Covid related lockdown where in school and Educational institution continued with their class and teachers did not lose their jobs. According to the various survey the Education sectors is reported as the second highest sectors after healthcare India.

Option of Entrepreneurship

Individual of the completing B.Ed also have an option of using their B.Ed Graduate acquired skill set to practice independently while opening their own School, Coaching and institute etc.

EXPLORE YOURSELF

The Pal College Family always encourages extra- Curricular activities and brings this into action. We have Several committees and Clubs which helps students to Follow their Passion and Interests .

The objectives of extra- Curricular activities are :

- To develop a sense of adjustment in students Personality as they will learn to adjust emotionally, mentally, socially and physically with the help of these activities.
- These activities helps students to get a Refreshment break from Regular class activities.

LIBRARY

The Primary purpose of the library is to support teaching, research, academics programs and management development. It plays a vital role in providing & nurturing knowledge and aiding in learning & teaching activities. Our library is well-stocked with a wide range of books, journals, newspapers, project work assignment and periodicals.

We have nearly 10,000 books and more than

3,000 titles encompassing rich references in management, marketing, international business, information technology, strategic marketing, advertising, food and nutrition, human development, research methodology.

SPORTS

Physical exercise of the body is of utmost importance for the mind to gain knowledge and wisdom and that can only be possible for our students by the State of the Art facilities provided by the institute.

The institute is well equipped with Indoor and Outdoor sports equipments like Cricket, Volley Ball, Foot Ball, Carom, Chess, Table Tennis, Badminton etc. The institute's timings on Saturday are dedicated for this purpose under the expert guidance of a Physical Trainer Mr. Mahesh Singh Bisht (B.P.Ed., M.P.Ed. from Lovely Professional university). Pal College of Technology & Management organized Inter collegiate tournament of Kumaun University every year.

Mahesh Singh Bisht
Sports Incharge & Coach

OUR ACHIEVEMENTS :

- Kumaun University football Intercollege Tournament organized by PCTM – Selected students : Manoj Bisht and Jatin Rawat (Venue - Patiala, Punjab).
- Kumaun University Intercollege volleyball Tournament organized by PG College , Ramnagar - Selected Student : Himanshu Danu (Venue kurukshetra, Harayana).

- Universal Convent Sr. Sec School Organized Sepak Takraw Touranament (PCTM got Silver Medal selected student for nationals - In Sepak Takraw – Kamal Khati and Mohit Singh).

CAFETERIA

In order to satisfy the appetites of the students and to give them a break after a day's hard work, the institute campus is provided with a relaxing and comfortable Cafeteria. The canteen not only provides Students of the campus with mouth watering dishes but is also one of the most happening places in the campus. Health and hygienic meals are made in the college Cafeteria by a professionally managed catering

personnels.

This is the place to rejuvenate the tried spirits through lip smacking delicacies. The cafeteria provides much needed appetizer breaks in a cozy atmosphere. The services are available round the clock at highly reasonable prices and smile.

TRANSPORTATION

PCTM has its own fleet of buses to cater the transportation need of its students & staff. These buses ply to every corner of the city. The transportation facility is also available on all the routes

MEDICAL FACILITIES

Believing in the proverb "Health is Wealth" at PCTM we also give equal consideration towards the health and well being of our students. For this purpose an emergency First Aid System is maintained in the college round the clock and the college also has a tie – up with Brij Lal hospital & Research Centre. A team of qualified doctors is available to provide regular and intensive medical care to our students. PCTM also offers health insurance policy to its students. An emergency mobile van is also available round the clock to ensure timely healthcare to the students.

EXTRA CURRICULAR ACTIVITIES

Pal College of Technology & Management is committed to the multi faceted development of its students which can only be possible by not indulging the student in academics but leave them free to explore their talents besides making them grab just a degree. The thought can only be materialized by encouraging the

students to indulge the extracurricular activities. Touching almost all the spheres of personality development of the students and at the same time infusing moral, social, cultural values into them.

FDP & PDP

PERSONALITY DEVELOPMENT PROGRAM

Training and placement cell equip the students with relevant professional skills in order to guide them towards the bright career with the core values of sincerity, honesty and hard work. We focus the overall development of student in terms of knowledge, skill enhancement, first hand experiences through practical skills and trainings which are required to achieve a desired job.

FACULTY DEVELOPMENT PROGRAM

The success of any college depends on its intellectual assets- Faculty. They are the one who shapes the bright future of students through teaching, motivating, mentoring and many more activities which could be a part of curriculum or not. Therefore, it becomes an important responsibility for a college to impart certain development programs for faculties.

The program aims at enhancing the intellectual and academic environment in the college by providing faculty members with enough opportunities to pursue research and also to participate in seminars/ conferences and workshops. Participation in such program would enable faculty members to update their research and pedagogical skills. For this type of development Programs College invite eminent academicians, industry professionals and speakers to develop our intellectual assets skills.

CORPORATE SOCIAL RESPONSIBILITY

When an organization gets involved in serving the society, some refer to it as “CSR”, others call it “Social service”, and yet others term it “helping others”.

Whichever way one chooses to refer to it, PCTM strongly believes in “giving back to the society.” Over the years several CSR activities have been successfully conducted and continue to be conducted by us.

Our infrastructure, facilities, teaching methodologies and academic rigor make sure that Pal College of Technology and Management retains a special place in the academic landscape of Kumaun Region and in the heart of those who live, study and teach here.

The object of corporate social responsibility is to allow the students and faculty to actively participate in outreach program initiatives where they can contribute their knowledge, skills and technical expertise to the community. CSR at

the College encourages and propels students to imbibe the qualities of enlightened leadership and thereby instills in them a level of trust and confidence about themselves and the community. This program enables students to serve the underprivileged section of the society and enhance their quality of life by willingly contributing skills and knowledge.

Being an educational establishment it has been our endeavour to improve the state of education at least in Uttarakhand. Apart from giving financial aid, we have been making constant efforts to educate people around us and making them aware about the various advancements in technology & research so as to empower them & making them self-reliant.

– Mr. Bhanu Bisht
Operation Head / CSR Director / HR Head

PUBLIC RELATION

Rightly mentioned with time, it's never about the object, rather it's all about the communication.

The Public Relation Officer working under the institutional premises of Pal College of Technology and Management Haldwani, insures the regulation for both inward and outward flow of resource and data.

The management which begins from incepting ideas to creating profile which matters, has always been the key perspective under the profile. With reference to this, the coordination

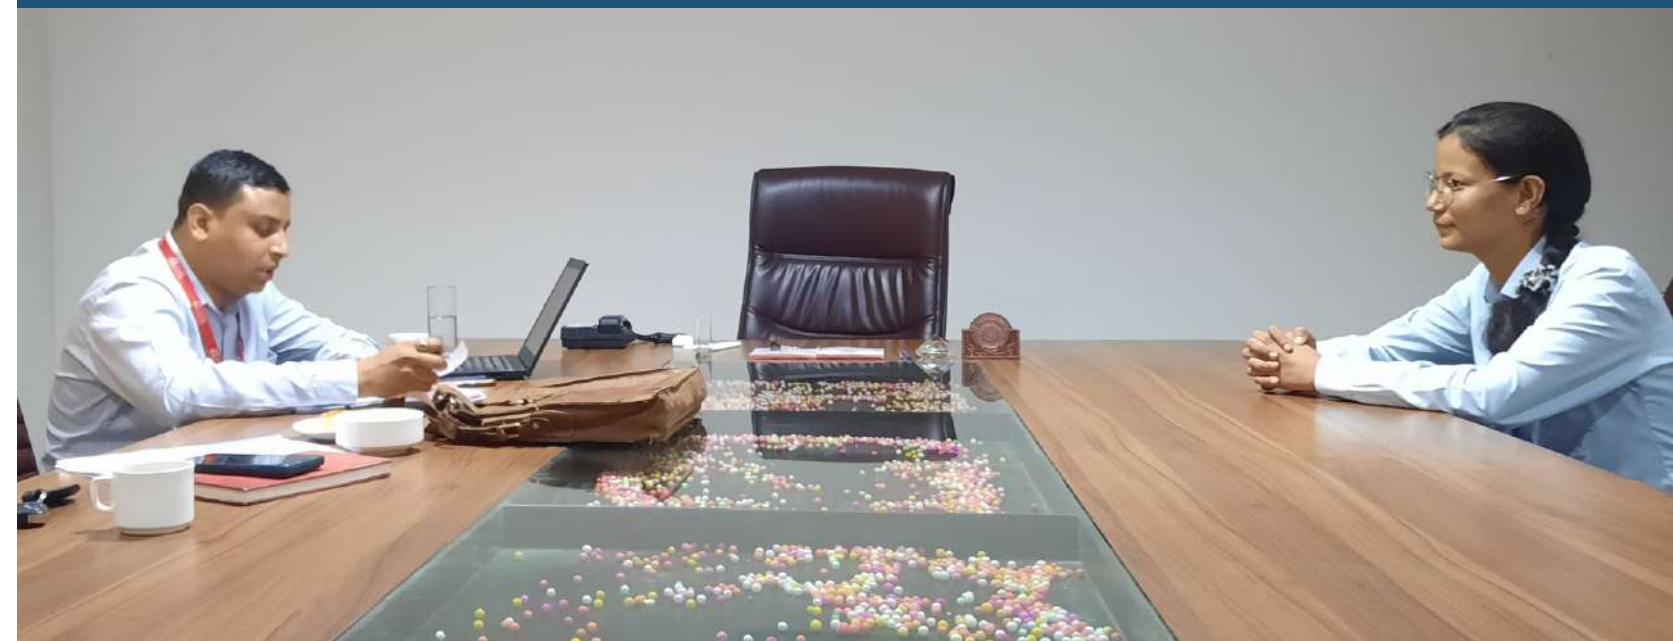

and management of events additionally with liscensing too forms the crux of the stable profile. As of this very dynamic landscape, a PR not only summaries core values of the foundations alongside it includes creating the fundamental values for others too.

Through extensive academic and professional preparation, we are on a mission to inculcate versatility in development of the dynamic personality of Pal College students. We believe that our institution has a responsibility towards every students who is a part of our journey.

Kanika Sah
Public Relations Officer

TRAINING & PLACEMENT CELL

Training and Placement plays a major role in shaping up the career goals of students. It is a dream of every student to get placed in a top organization visiting their campus for recruitment. Keeping this key aspect into consideration, it is realized that training is important for students to enhance their employability skills and achieve good placement in various industries.

Pal College of Technology and Management (PCTM) has a state of the art Soft Skills Training Dept, which teaches prospective candidates about the vital soft skills that are necessary for them if they plan for long innings in the corporate world.

Deep Mishra, BHM
Hyatt Regency

BATCH 2017-2020

The time I spent in PCTM was one of the best times of my life. I learned a lot not only about coding but also about life. Teachers helped a lot in learning and shaping our careers.

Sandeep Rana, BCA
Deloitte

BATCH 2016-2020

The campus encompasses a vibrant culture of growth and opportunities. Also helped to groom myself to be competitive in the corporate world. Thanks PCTM

Neeraj Mishra, Biotech
UNICEF Program

BATCH 2014-2017

Pal College is a place where you can find an amalgamation of learning. I feel great studying at Pal College as it gives great opportunity as well as support from faculties and placement officers.

Shalabh Singh Bohara, BHM
Royal Caribbean Cruises

BATCH 2018-2020

The PCTM, Haldwani has serene environment and well qualified faculty who made the two years of B.Ed. a memorable experience. In the field of educational training PCTM is emerging as a pioneer of Haldwani city.

Divya Pathak, B.Ed
Uttarakhand Govt.

BATCH 2016-2020

My experience has been great with Pal college in every aspect. There is atmosphere of respect towards each other combined with amazing activities which gives all the opportunities to explore myself. I am thankful to each faculty.

Neeta Andola, BHM
Sarovar Portico

BATCH 2013-2016

My experience with Pal College was good. I would specially like to thank my Prof. B.D. Lakchhura & other faculty members. They were the strongest support system to me in my graduation days.

Niaz Tabassum, Biotech

BATCH 2017-2020

My overall experience at PCTM has been amazing. The college has provided me with a number of opportunities to grow and explore my skills. The emphasis on education always helped me a lot.

Bharat Kumar, Biotech
Krishi Sanjivani, Bangalore

BATCH 2014-2017

My experience with Pal College was good. The college has provided me many opportunities to grow and explore my skills. They were the strongest support system to me in my graduation days.

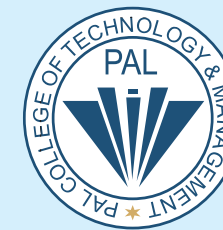

Santosh Giri, Biotech
Sun Pharma

BATCH 2012-2015

PCTM is a place for learning with enjoyment. I acquired vast knowledge and this has served me well in my professional career.

Sanjay Negi, Biotech RND
