**GATEWAY TO YOUR
BRIGHT FUTURE**

Daawat-e-Chat: A Flavorful Celebration at PCTM

March

The Hotel Management Department at Pal College of Technology & Management hosted 'Daawat-e-Chat', where students, guided by faculty members, prepared over 50 varieties of Indian chaats. The event celebrated India's diverse street food heritage while sharpening students' culinary and presentation skills. Highlights included Sev Puri, Papdi Chaat, Dahi Bhalla, and Samosa Tokri. It was a colorful showcase of creativity, flavor, and tradition, blending innovation with regional authenticity.

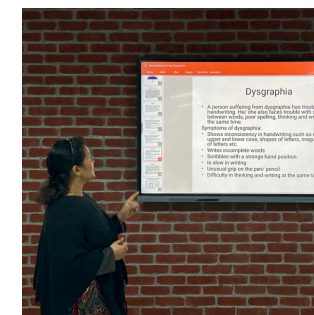

Cricket Tournament – A Thrilling Finale!

Pal College of Technology and Management hosted an electrifying three-day Inter-Departmental Cricket Tournament, featuring spirited participation from all five departments. Inaugurated by Principal Dr. Sandeep Lohani, the event was marked by intense competition and remarkable sportsmanship. The grand finale saw BBA and BCA face off in a thrilling match, with Team BBA emerging victorious. Congratulations to BBA and heartfelt appreciation to all teams, faculty, and students for making the tournament an unforgettable celebration of teamwork and enthusiasm.

Creative Stone Painting Activity at PCTM

March

Pal College of Technology and Management organized a vibrant Stone Painting activity under the guidance of Fine Art and Craft Coordinator, Ms. Lalita Saini. Students transformed leftover tiles and stones into beautiful artworks, blending creativity with sustainability. Their enthusiastic participation highlighted their artistic growth. Dr. Kiran Sati, Head of the Department of Education, encouraged and appreciated the students with her motivating words, making the event truly inspiring.

Expert Lecture on Neurodiversity at PCTM

The B.Ed. Department at Pal College of Technology and Management, Haldwani, hosted an insightful lecture on “Neurodiversity in the Classroom: Moving Beyond Disabilities” by Dr. Bhawna Dhauni from Uttarakhand Open University. She emphasized recognizing neurodivergent learners and the shared responsibility of educators, parents, and society. Dr. Kiran Sati, HoD, highlighted the lecture's importance in fostering inclusive education. Faculty members and students actively participated in the discussion.

Women's Day Celebration at PCTM

March

Under the leadership of Principal Dr. Sandeep Lohani, male faculty and staff members at Pal College of Technology & Management organized a joyful Women's Day celebration honoring their female colleagues. The event featured lamp lighting, cake cutting, fun games, a treasure hunt, and a surprise giant samosa by the HM team. Surprise gifts added to the delight. Mrs. Kamini Pal, Secretary PCTM, graced the occasion, making the celebration truly special and memorable.

PCTM Celebrates Holi with Vibrance and Joy

Pal College of Technology and Management marked the festival of Holi with enthusiasm and cultural flair. The campus came alive with colors, music, and joyful energy. Graced by Mrs. Kamini Pal, Secretary PCTM, the celebration featured vibrant student performances showcasing dance and music. The event beautifully merged tradition with celebration, creating a lively and memorable experience for all participants.

Seminar on Legal Awareness, Career Guidance, and Adolescent Health

March

A seminar was held on March 18, 2025, at Rajkiya Inter College, Pratappur, under Principal Mr. K.N. Joshi's guidance. Chief Guest Dr. Sanjay Gururani (DIET Bhimtal) inaugurated the event. The key speakers addressed legal rights, career training, and adolescent health. Mr. Mohit Gariya from PAL College engaged with the students, resolving their queries. The seminar saw enthusiastic participation from teachers, students, and board examinees from nearby areas, making it a meaningful and informative session.

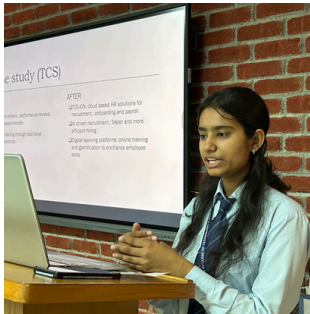

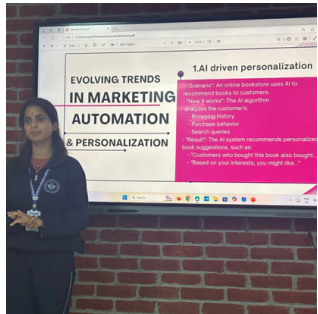

Advisor's Scholarship Awarded to Academic Toppers at PCTM

Pal College of Technology and Management recognized the academic excellence of its students by awarding the Advisor's Scholarship to students who secured 1st position in their respective classes for the academic year 2023–24. Prof. K.K. Pande, Advisor, and Prof. Subho Chattopadhyay presented certificates and scholarship cheques, applauding the students' dedication and hard work. Class Representatives were also honored with badges, acknowledging their leadership and contributions to a positive learning environment. The event celebrated perseverance, discipline, and commitment to academic excellence.

Student Seminar on HR & Marketing in Industry 4.0

April

The Department of Commerce & Management, PCTM, organized a seminar on “HR & Marketing Practices in Industry 4.0 – Same Wine in a New Bottle.” Students shared insights on AI, automation, and digital transformation in HR and marketing. The event, anchored by Himani Parihar and moderated by Dr. Sakshi Pandey and Ms. Geetanjali Joshi, was applauded by Director Dr. Subho Chattopadhyay for its success and student participation.

One-Day Workshop on Machine Learning at PAL College

The BCA Department of PAL College organized a one-day workshop on Machine Learning, led by expert Mr. Vatsal Agarwal under the guidance of Dr. Harsh Vardhan. Students explored supervised, unsupervised, and reinforcement learning through real-world applications and live demos. The session boosted industry readiness and was graced by the faculty members of the college, reflecting PAL College's dedication to practical, future-focused education in AI and emerging technologies.

World Earth Day Celebration at PCTM

April

The Department of Commerce and Management, PCTM, marked World Earth Day on April 22, 2025, with poster-making and speech activities promoting environmental awareness. BBA students Faiza Moin, Jyoti Brijwasi, and Himani Parihar delivered impactful speeches. Creative posters drew attention towards sustainability, plastic reduction, and global responsibility. Anchored by Sheetal Maurya, the event saw enthusiastic participation from students and faculty members. The Director, Dr. Subho Chattopadhyay encouraged the students to adopt eco-friendly practices.

World Book Day celebration at PCTM

To celebrate World Book Day, the Department of Commerce & Management at Pal College of Technology & Management hosted a Bookmark Making Activity. Students took part with great enthusiasm, crafting creative bookmarks. They also explored the inspiring life of Dr. A.P.J. Abdul Kalam by listening to the audiobook "Wings of Fire." The event proved insightful and uplifting for both students and faculty members.

Tips to crack Interview

April

PAL College of Technology and Management hosted an engaging session titled “Cracking Technical Interviews: Tips, Demos & Practice,” designed to equip students for the challenges of technical job interviews. Led by Dr. Harsh Vardhan Pant and Mr. Narendra Bisht, the session featured valuable insights, live demos, and practical strategies. It concluded with motivating remarks from the Director, Dr. Subho Chattopadhyay, encouraging students to pursue excellence in their career paths.

An unforgettable evening of laughter and joy!

Gaurav Gupta's stand-up comedy show, co-organised by Pal College of Technology & Management, Haldwani, was a spectacular success. His hilarious performance had the audience in splits and created lasting memories. Heartfelt thanks to Gaurav Gupta and everyone who joined us in making the night truly special. Here's to more such wonderful events!

Workshop on "Skills For the 21st Century."

May

PCTM successfully hosted a workshop on "Skills for 21st Century Learning," led by Dr. Gopal Datt from Uttarakhand Open University. The session elucidated the key elements of NEP 2020, focusing on skill-based education, digital learning, and practical training. Dr. Subho Chattopadhyay, Director, praised the initiative for addressing global education trends. The workshop concluded with a vote of thanks by Dr. Harsh Vardhan Pant.

Project Gaurav

The Department of Computer Science and Biotechnology, PCTM, proudly hosted the 4-day Project Gaurav workshop, a joint initiative by the Uttarakhand Government and National Stock Exchange. Conducted by SEBI SMART Trainer Mr. Girish Chandra, the workshop enriched the students with vital insights into financial literacy, investment options, stock markets, and banking and financial services, empowering them for a financially informed future.

A warm Farewell to the B.Ed. 2023–25 batch

May

Pal College of Technology and Management bid a warm farewell to the B.Ed. 2023–25 batch, enthusiastically hosted by the 2024–26 cohort. The event was graced by Secretary Mrs. Kamini Pal, Director Dr. Subho Chattopadhyay, Principal Dr. Sandeep Lohani, HOD Dr. Kiran Sati, and faculty members. Inspiring speeches, fun titles, heartfelt moments, and emotional farewells marked the day. The program, coordinated by Ms. Mansi Bhatt and Mr. Deepak Suyal, ended with prize distribution and refreshments.

A visit to Kisan Mela Pantnagar.

B.Sc. Biotechnology students from PAL College of Technology and Management visited the Kisan Mela at Pantnagar, gaining insight into modern agricultural biotechnology and sustainable farming techniques. The event provided valuable hands-on exposure to innovative tools and research displays. This educational trip offered a meaningful blend of theoretical learning and practical experience, enhancing students' understanding of real-world agricultural applications.

Convocation of XPMC Program

May

On 14th May 2025, the convocation ceremony of XPMC marked the successful completion of the 6-week XPMC Program by Employability.life in collaboration with Federation University, Australia. The program blended work-simulated learning with global micro-credentials, preparing students for real-world careers. Ms. Mehak Arora, a key mentor, inspired the participants. Students shared powerful testimonials, reflecting personal growth, confidence, and enhanced career readiness.

4th Biotechnology Conclave

B.Sc. Biotechnology students from PAL College of Technology actively took part in the 4th Biotechnology Conclave at the Uttarakhand Council of Biotechnology. This international conference spotlighted sustainable strategies in agriculture, environment, and health, aligning with the Viksit Bharat vision. Students interacted with global experts and researchers, gaining key insights into advanced biotechnological innovations and were inspired to contribute to sustainable development.

A proud moment for PCTM at Pragyan 2025, Graphic Era Hill University!

May

A proud moment for PCTM at Pragyan 2025, Graphic Era Hill University! Our students showcased exceptional talent across various events. Devashish Pandey, Mahima Dalakoti, and Sheetal Maurya reached the finals in key competitions, while Mahima and Harshita Joshi secured 3rd place in dance. Their dedication, creativity, and spirit highlight their brilliance beyond academics. Congratulations on this remarkable achievement!

Double the energy, double the excitement!

PCTM, in association with Hindustan Media, successfully hosted the Doublethon Program in Haldwani. The event saw spirited participation across all age groups, from lively children to active seniors, engaging in thrilling cycling races and contests. Every deserving participant received a certificate of appreciation. A wonderful celebration of fitness, unity, and community enthusiasm!

Hasya kavi sammelan.

On 24th May 2025, the B.Ed. Department of Pal College of Technology and Management hosted a vibrant Hasya Kavi Sammelan, organized by the students of Monal House. The event featured witty poetry, shayari, jokes, and a roast battle, delighting the audience. Hosted by Lokesh Lohani and Surendra Kumar, it was coordinated by Dr. Neha Pandey and Diwakar Joshi under Mrs. Prema Thuwal's guidance.

Farewell to the batch of 2022 – 2025 “ADIEU 2025”

Pal College of Technology & Management bid an emotional farewell to its final year students, the batch of 2022–25. All the students were decked up and dressed in beautiful, colourful and smart attire. The celebration began with the lamp lighting ceremony & Saraswati Vandana. All the students, the juniors as well as the seniors, were in high spirits on this day. The seniors were excited as they were going to embark on a new phase of their life's journey. The juniors organized a number of fun games for the graduating students. They staged a spectacular cultural program for the seniors. The atmosphere was vibrant & reverberated with fun, laughter & joy. During the farewell ceremony, Bhumika Suyal was declared as Miss Farewell and Rahul Kumar was crowned as Mr. Farewell. The title of Mr./Ms. Personality went to Karan Joshi & Ranjana Thapa respectively. Shailendra Prasad & Bhumika Kandpal were declared as Mr./Ms. Talent respectively. The titles of Mr./Ms. Attire were won by Pankaj Kumar & Disha Satyal respectively. The event was graced by Secretary PCTM Mrs. Kamini Pal. All the faculty members & staff were also present in the farewell along with Dr. Subho Chattopadhyay (Director PCTM), Dr. Sandeep Lohani (Principal PCTM) & Mr. Hem Chandra Pandey (Director – Marketing & Admissions).
